ABOUT US

FIBEX is our main product brand of PT Global Venture Sdn. Bhd. (1330394-T) previously known as PT Global Resources, which all started from the year 2009. A humble beginning from the start and now we have our very own optical fiber termination plant and 3 warehouse units to support our daily business needs.

Our core values are evident in the way we conduct our business. We believe that integrity leads to quality products and optimal customer service.

WHAT WE DO

Currently, the main business activity of PT Global Venture Sdn. Bhd. (1330394-T) is incorporated to carry out business as contractors, designers, developers, suppliers of and dealers in telecommunication equipment, systems, networks and accessories and to provide advisory services in the purchase, installation, operation, maintenance and development of telecommunication services.

We also trade various types of networking cables, fiber optic cables, equipment racks and other accessories related to the telecommunications and networking industry under our own brand label – FIBEX.

OUR RESOURCES

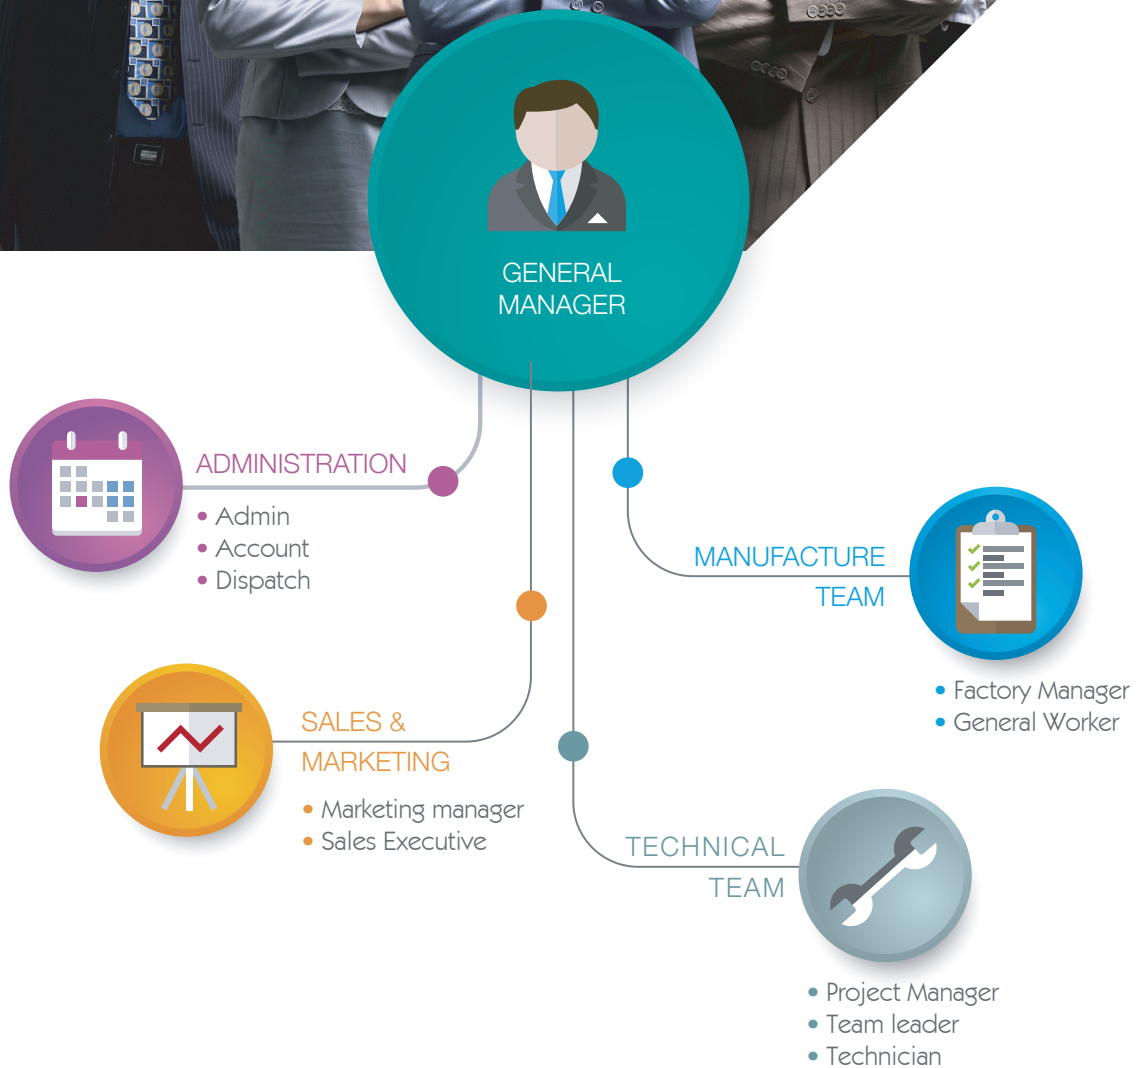

Our products are manufactured locally in our own manufacturing plant or sourced locally if required. If there is a need of a specific product from overseas, we could also source it from you as well. With the extensive range of products and professional services now available to the fast growing industries, we are confident of catering to the needs of our clients anytime anywhere.

VISION & MISSION
